SECOND HAND UNIFORM SHOP

Dear Parents

The second-hand uniform exchange is now facilitated by the Parents and Friends committee.

Donations of used uniforms in good condition are always welcome; however should you wish for us to sell the item for you the following should be noted.

- Uniforms can be dropped off at the shop on
TUESDAYS 8-9 am
FRIDAYS 8-9am
- You will need to request a form via email
2ndhandshop.atlantic@reddam.house which must be placed inside the bag.
- Ensure that ALL the details are filled in correctly. We cannot be responsible for discrepancies.
- Only current uniform styles will be accepted.
- Clothing with rips, tears, patches, missing buttons or worn out patches will not be accepted. They will be donated to one of our charities.
- All second-hand uniforms are to be washed and cleaned before sending to school. Shoes and socks must be in pairs and missing buttons replaced.
- Indicate clearly whether you are donating or wanting to sell. A **30 %** commission will be deducted. We do not pay commission on socks and tights.
- The PnF will determine the price according to a guide and the condition of the item.
- If an item/s is not sold within 3 months, it will be returned to you.
- Pay-outs will only be done at the end of each month. Cash payments will need to be picked up from Linda Guldmond. An email will be sent prior to that informing you.

DATES TO DIARISE

14 February

- Stage 3 – Grade 3 Valentine's Day Picnics

Dear Parents

Please see below, a circular that was sent to all schools and cricket clubs within the Cape Town region. As we are affiliated to Western Province Cricket, we will be heeding the call to suspend all cricket matches as required.

However, after getting some clarity from the authorities, we are allowed to continue with mini-cricket which does not affect the grounds and pitches as hard-ball cricket would do.

We will continue with our practices and matches but we will be moving all JP cricket activities to the school astro to alleviate pressure on the GPCC fields. Please see amended times and venues for the rest of the term.

Practice: Tuesdays and Thursday (School Astro- 13:30 - 14:30)

U9 Matches: Tuesday (School Astro 14:30 to 15:15) Please look out for the match letters as some matches will be away.

Please do not hesitate to contact us if you are unsure of something or require any more info

Kind regards

Client Musamba

TO ALL WESTERN PROVINCE JUNIOR YOUTH CRICKET AFFILIATED SCHOOLS AND CLUBS

The catastrophic water crisis that has hit Cape Town and the ever-looming day zero has placed dramatic permutations on cricket in Cape Town for the foreseeable future. In July 2017 cricket, WPCA made the proactive decision to half the senior club's season fixtures due to the City of Cape Town's concerns of not enough water to service municipal facilities and then further cut fixtures in October 2017 after minimal rain during the winter months. The season commenced and even though poor quality of cricket and deterioration of club facilities, 90% of first half fixtures were completed. In 2018 and after further concerns, two engaging meetings were held with senior city officials to discuss their various interventions for sport in Cape Town to try and delay the inevitable announcement that sport would suffer due to the water crisis.

The City of Cape Town promised that it would work with WPCA to ensure that cricket is played, however after an announcement that municipal fields will be closed due various factors mainly because of the poor ratings of facilities on the new triage system and no access to water. **The decision from the WPCA Local Leagues Cricket committee and the WPCA board and in consultation with the City of Cape Town is to suspend all community based cricket (including schools and youth cricket clubs) with immediate effect due to unavailability of water including treated effluent, potable (municipal) and very recently borehole water.** WPCA remain sensitive that this would have severe impact on the livelihood of clubs moving forward and possibly question some club's existence. A special task team will be created with immediate effect to plot and plan the 2018/19 season as well the most effective cricket structure for this unusual situation.

Please note that the WP Youth Cricket District nets programme will continue.
